

## Invitation Asia Sales Meeting

1. - 3. November 2010 – Malaysia

We kindly invite you and your sales & service team to our Asia Sales Meeting in Malaysia. Key event will be the official launch of our new benchtop hardness tester.

### Live-demos and workshops

During two days we will have several hands-on workshops organized in small groups to leave enough time for questions and an introduction training.

### Where does it take place?

We will host the workshops in the training center of our partner "Teguh Pharma" near Kuala Lumpur in Malaysia. We will organize hotel accommodation for you. Transfer from/to KL airport can be arranged.

### Yes, I want to attend!

Don't miss this opportunity and send me an email that you will attend (and with how many people) until 6. October 2010. More details will follow!
